Professional summary

Dynamic UI/UX Designer with 7+ years of design experience, specializing in polished digital interfaces and user-centered visual solutions. Proven expertise in Figma, wireframing, and responsive design across mobile, web, and interactive platforms. Adept at transforming rough concepts into developer-ready designs for diverse digital products, ensuring clear visual hierarchy and intuitive navigation.

Work experience

Graphic Designer

Horizon Educational Consultancy | Remote

January 2019 to Present

- Designed digital marketing materials and engaging social media graphics to enhance online visibility and user engagement
- Created educational and promotional visual assets aligned with brand identity, ensuring consistency across platforms
- Edited photos and prepared print-ready files while collaborating with remote teams to deliver high-quality visual content
- Supported branding efforts by refining visual identity elements to maintain cohesive user experience

UI/UX Designer

EagleLion System Technology

June 2022 to April 2024

- Delivered end-to-end UI/UX design for mobile banking and flight/hotel booking apps, ensuring polished, user-friendly interfaces
- Led redesign of SaaS dashboard, improving user task efficiency by 35% through clear visual hierarchy and intuitive navigation
- Developed and maintained reusable design systems to ensure consistency across multiple products and platforms
- Conducted usability testing and user interviews to gather actionable insights, informing major product pivots and iterative improvements
- Collaborated closely with developers to produce pixel-perfect, implementation-ready designs and visual assets

Architectural Intern / Junior Designer

InLabs Architecture & Engineering | Addis Ababa

January 2018 to January 2019

- Applied human-centered design principles to architectural projects, informing UX decision-making and user experience improvements
- Assisted in drafting and visualization to support design presentations focused on usability and spatial clarity
- Collaborated with senior architects to refine layouts enhancing user interaction and spatial navigation

Education

Architecture (Bachelor of Science)

Mekelle University

January 2016 to January 2022

Skills

Figma

Wireframing & Low-Fidelity Prototyping

User Flows, Journey Mapping & Task Analysis

Designing for Complex User Journeys

Responsive Mobile UI

Usability Testing & Iterative Design

User Research, Personas & Insight Synthesis

End-to-End UX Process (Research, Wireframes, Prototypes, Testing)

Clear Figma Documentation & Collaborative Whiteboarding

Trust, Clarity & Compliance-Focused UX

Mobile App UX (iOS & Android patterns)

Accessibility & Inclusive Mobile Design

Form Optimization & Error-State Design

Data-Heavy UI Simplification

UX Thinking & Problem Framing
